

MindManager®

Image Pack

Say goodbye to lackluster maps. Add sizzle and visual interest with Mindjet's new Image Pack featuring a collection of over 300 bold, rich images - guaranteed to bring your MindManager map to life.

- Watch your to-do lists, meeting agendas, project plans, and other map content come alive.
- Add depth, visual appeal, and meaning to all of your MindManager maps.

Make Your Maps Memorable and Engaging

- Create that wow factor by embedding powerful images that add visual depth and aesthetic appeal to your task lists, project plans, brainstorming concepts, meeting agendas and much more.
- Insert these images within topics and notes to effectively communicate your ideas, highlight key information, and improve overall engagement and recall.

Save Valuable Time

- Gain quick and easy access to an expanded repository of images that's right at your fingertips.
- New images are stored within the MindManager Library tab, reducing the need to conduct unnecessary image searches outside your MindManager application.

Communicate More with Less

- Spend less time crafting lengthy, wordy explanations to communicate your point.
- Insert impactful Library images to effectively and succinctly convey your thoughts and ideas.

Seamless Integration with MindManager

- Download the Image Pack and within minutes, access an assortment of new Library images.

Overall, embedding images within your MindManager maps will help with:

- Improved communication, recognition, engagement and recall
- Enhanced learning and concentration
- Information retrieval
- Creative thinking, memory retention, contextual relevance

REQUIREMENTS:

- Compatible with MindManager 7 or greater for Windows.
- Compatible with MindManager 7 or greater for Mac.

Add Sizzle to your MindManager Maps.
