Corel will notify You by posting notice of the Modification(s) on Corel's website, and/or by notifying You by email at the email address provided by You, if any, and You consent to Corel sending such notifications of Modification(s) to this Agreement by posting notice on Corel's website or delivery to your email address. Except as outlined above, all Modifications to this Agreement will be effective when posted (or after a notice is sent to your email address), and your continued use of the software provided to You under the Upgrade Protection Plan or use of Upgrade Protection Plan support services after the sending of such notice will constitute your acceptance of, and your agreement to be bound by, those Modification(s). If You do not agree to (or cannot comply with) this Agreement as amended, your sole remedy is to stop using the software provided to You under the Upgrade Protection Plan or request or use any other support services.

1. Upgrade Protection Plan Term. Your purchase of Upgrade Protection Plan, as described herein and on the Mindjet Customer Support Services website at: <http://www.mindjet.com/support-info>, is for one (1) year commencing from the date of your purchase of Upgrade Protection Plan, unless otherwise specified in an Ordering Document ("**Initial Upgrade Protection Plan Term**") and any renewal term ("**Renewal Term**"), collectively the "**Upgrade Protection Plan Term**". This Agreement shall terminate upon expiration of the Upgrade Protection Plan Term. Corel may limit your right to support services or terminate this Agreement, effective immediately upon notice to you, if You use the service in an irregular, excessive, abusive, or fraudulent manner. An **Ordering Document** means a document (such as purchase confirmations, product certificates, negotiated contracts) provided by or entered into by and between You and Corel which states the Upgrade Protection Plan Term and, if applicable, the commencement date and/or expiration date of the Upgrade Protection Plan Term, fees and payment terms, and any additional terms and conditions regarding use of the software provided under Upgrade Protection Plan and/or which may amend or modify the terms set forth herein. Any varying or additional terms set forth in a purchase order or other written notification or document issued by You shall have no effect regardless of whether or not such purchase order or other document constitutes the Ordering Document for the Upgrade Protection Plan.

2. Fees. Unless otherwise set forth in the Ordering Document, Upgrade Protection Plan fees are to be paid in advance of the Upgrade Protection Plan Term and shall be an amount equal to twenty percent (20%) of the current list price of the applicable Corel software. If You delay your purchase of

Upgrade Protection Plan more than thirty (30) days past the date You purchase the applicable Corel software, Corel may charge additional fees when You initiate Upgrade Protection Plan.

3. Payment. Invoiced charges are due for immediate payment. Unpaid invoices are subject to a finance charge of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is greater, plus all reasonable expenses of collection. You are responsible for providing complete and accurate billing and contact information to Corel and notifying Corel of any changes to such information. Your credit card or other form of payment will be charged or otherwise debited in accordance with payment terms set forth in the Ordering Document. Corel will store your payment information (e.g., credit card number) so that it can charge You for the Software in accordance with your payment choice. Corel encrypts such credit card information using standard encryption technology. No method of transmission over the Internet, or method of electronic storage, is 100% secure, however and Corel cannot guarantee its absolute security. You acknowledge and agree that Corel's provision of the Service may require Corel to process or store your personal data, including credit card information, and to transmit such data internally within Corel or to Corel Affiliates. Such processing, storage, and transmission shall be conducted in accordance with Corel's Privacy Policy, available at <http://www.corel.com/de/corel-privacy-policy>. If You purchase the Upgrade Protection Plan through a Corel authorized reseller, You shall establish billing terms with such authorized reseller.

4. Renewals. By purchasing the Upgrade Protection Plan, You consent to Corel automatically renewing your Upgrade Protection Plan annually and invoicing You annually prior to expiration of the Upgrade Protection Plan Term for such renewal. If You have purchased Upgrade Protection Plan with your credit card, You consent to Corel securely storing your credit card information in the United States or other countries for such renewal. Such processing, storage, and transaction shall only be to the extent necessary for, and for the sole purpose of, enabling Corel to perform its obligations hereunder and may take place in any of the countries in which Corel and its Affiliates conducts business, which may include countries outside of the European Economic Area. Corel will notify You by email prior to expiration of your current Upgrade Protection Plan Term. Unless You notify Corel at least thirty (30) days in writing prior to the renewal date that You do not wish to renew, the regular renewal price (plus applicable taxes or VAT) will be automatically charged to your credit card. You authorize Corel to use contact and billing information provided during your purchase activity to charge or invoice each renewal. Payment must be made on time to avoid a lapse in Upgrade Protection Plan. You may discontinue the auto-renewal feature of Upgrade Protection Plan at any time by contacting the Mindjet Customer Support and Services Team via Corel's Mindjet website, but please note that failing to renew your Upgrade Protection Plan Term will result in the expiration of your Upgrade Protection Plan at the end of the then-current term.
